

VIBGYOR GROUT

(COLOURED GROUT FOR WALL & FLOOR TILES)

Page 1 / 2.

DESCRIPTION

BC VIBGYOR GROUT is a fine coloured powder which, when mixed with water, gives a smooth, easily applied creamy paste for clean grouting of tiles. It sets to a decorative water resistant finish.

USES

BC VIBGYOR GROUT is the professional choice for clean, simple grouting of Ceramic, Marble, Granite and all types of floor and wall tiles in colours to blend with every decor.

It is water resistant and can be used for exterior installations, even swimming-pools, when a water proof adhesive (eg. BC WATERPROOF MORTAR) has been used. Tiles should not be grouted until at least 24 hours after fixing.

COMPOSITION, PROPERTIES, APPEARANCE.

BC VIBGYOR GROUT is a blend of hydrophobic cement fillers and organic additives supplied as a fine powder in white and a wide range of attractive colours.

BC VIBGYOR GROUT is resistant to cracking in joints upto 3mm wide in the hardened state. Water resistant and self coloured, it is ideal for interior / exterior use.

CODE OF PRACTICE

Tiling and grouting should be carried out in accordance with upto date relevant British Standard or B.S. Codes of Practice, details of which can be obtained from the British Standards Institute, British Standards House, 2 Park Street, London W.1.

APPLICATION

Allow at least 24 hours between fixing tiles and grouting. Mix grout powder with water 2:1 to give a smooth, thick consistency.

Leave to stand for 15 minutes before using. Apply to tile joints with a squeegee, brush or sponge. Remove surplus grout with a damp sponge. When grouting is completed, polish tiles with a dry cloth.

COVERAGE

1 x 10 kg. bag of BC VIBGYOR GROUT mixed with 3.5 litres of water will yield 8 litres of grout.

PACKING

BC VIBGYOR GROUT is available in 10 kg bags.

HEALTH AND SAFETY PRECAUTIONS.

Take care to avoid prolonged contact with skin, or splashes in the eyes. Protect hands with gloves or the appropriate barrier creams. As a general Code of Safety Practice all chemical products should be treated with care, kept away from children and animals, especially protect eyes and skin. In an emergency seek medical advice.

Note :

BC VIBGYOR GROUT may stain certain types of tiles, it is therefore advisable to test a sample before use.

Whilst the information and / or specification given are to the best of our knowledge true and accurate, no warranty is given or implied in connection with any recommendations or suggestions made by us, our representatives, agents or distributors as the conditions of use and any labour involved are beyond our control.
